# Earn benefits with everything you buy.

First Florida Rewards Checking opens up a world of extras by enabling you to earn points toward benefits like cash-back, gift cards, travel, and more with every signature-based (non-PIN) debit card purchase.

## How it works

Opening a Rewards Checking account is easy. Just make a \$25 initial deposit and activate your free First Florida Visa® Debit Card. Then, use your card for your everyday purchases. Be sure to select the credit transaction option, and your debit card purchases will accrue reward points. This selection also makes it easy to avoid the small monthly fee of \$6.50 - it's waived when 15 or more signature-based (non-PIN) debit card purchases/transactions are posted to your account during the month.

Earn 1 point for every \$5 spent each time you use your First Florida Visa Debit Card. Registration is not necessary to start earning, but it's recommended for easily tracking and redeeming points. Just visit [FirstFlorida.org/rewards](https://www.firstflorida.org/rewards) to learn how to register and redeem your points.

## Why it's exciting

From groceries to fuel to utility bills, your everyday purchases will really pay off. Open a First Florida Rewards Checking account online, at a branch near you, or by calling **(800) 766-4328, ext. 1**.

## What else you get

While the most exciting part of Rewards Checking is certainly all the extras you can earn, it's good to know that you'll also receive a long list of other benefits just by opening your account.
